

# The clinician you become will thank you.

Learning the skill of auscultation is a crucial part of your education. 3M™ Littmann® Stethoscopes offer professional-level acoustics that will help you hear the subtle sounds that you'll learn from—helping you perform at your best, in school and in your profession.

## Tools to support students:

### Earn Free Littmann Stethoscopes

Organize a sponsored Littmann stethoscope sale and earn free stethoscopes for your school or student organization.

#### How a student sale works:

 X 10	<b>Earn</b>	<b>Earn ① Credit</b> for every ten (10) stethoscopes purchased as part of the sale.

### 3M™ Littmann Learning App

This auscultation education app, powered by eMurmur, is designed to help users better recognize benign and pathological heart sounds and murmurs. The app allows you to practice skills that can translate to better performance at school, improved real-world skills, and the ability to provide the best patient care.

#### The app includes:

-  Graduated learning modules ranging from novice to advanced
-  Visual display combined with audio of heart sounds and frequencies
-  Self-paced learning and testing
-  Background reading material
